

*GWQ SC – supporting the education of women and girls for over 30 years.*

Graduate Women Qld (GWQ)  
Sunshine Coast Branch  
Breakfast **with Diane Carter**

**Saturday May 14, 2022**

**Headland Golf Club – Golf Links Road, Buderim.**

**Guest Speaker – Diane Carter**

Born in London in 1946. Diane emigrated with her family to the then country of Rhodesia at the age of ten. Schooled at Lord Malvern and trained at the Teachers' College, Bulawayo, she spent almost all her professional life in education, ending up as Deputy Head at Hillcrest Preparatory School, Mutare and then as Head of Mvurachena School in Chipinge in Zimbabwe.

Diane looks at herself as a survivor and thriver.

She has led an exciting and varied life on four continents, experiencing many adventures that others would find extremely daunting. She has canoed on the Zambesi River, been on Safari in Africa, crossed the Tanami Desert, raced saloon cars, climbed glaciers, was an instructor at Outward Bound, swum with dolphins, been deep sea diving, climbed the Chimanimani Mountains, arrested in Mexico, married and brought up two children. Diane has survived a wild animal attack and the subsequent operations to put her back together again,

Diane, fortunately, managed to survive the Mugabe tyranny, and many other personal tragedies, putting her indomitable spirit down to her very positive attitude. Since settling in Australia in 2007, she has tried to spread the message of *Mindset Energy*, the power of positive thinking and positive attitude, to anyone and everyone she can reach. She believes that you can be and do anything you want to, if you really want it badly enough. You just have to have the right *Mindset Energy*.

**Diane's Topic:**

**Dare to Live – Trust yourself!**

Using real-life stories, Diane weaves her message, engaging and entertaining her audiences.
